

User Manual for Foodcoop Website

1. Membership

Non-members can browse products and see announcements, but todo more, especially to rate/comment products, benefit from discounts, apply for volunteerwork it is necessary to signup for the website.

After filling the registration form, the candidate member must go to the cooperative building and pay membership fee. Than the administrator will approve membership and the member can log-in to the system.

2. Browsing Products:

Members and also visitors can browse the product catalog. Here it is possible to filter products according to categories.

Members can rate products.

Admins or salesman can delete products.

Existing Tasks

Index	Text	Location	Date of Task	Action
1	Yeni gelen erikleri paketleyecek gönüllüler aranmaktadır.	Koop	28.05.2016	Apply
2	Kooperatif boyanırken yardım edecek gönüllüler aranmaktadır	Koop	02.06.2016	Apply
3	Adanalı karpuz üreticilerini gezip organik üretim denetlemesi yapacak gönüllüler aranmaktadır.	Adana	12.06.2016	Apply

4. Shopping

Online shopping is not possible on this system. Instead people must go to the coop and do the shopping there. One coop member who is assigned as ‘salesman’ by an admin will handle shopping in the website.

The salesman can start a shopping session by entering the username of the member who wants to do shopping. Alternatively, an anonymous shopping can also be started.
